

Term and conditions

All nominees must be aged under 18 at the date of nomination, live in the UK and be a member of CHECT. Children who have previously received a CHECT Champion award are not eligible to receive the award again. If you are not the parent or carer of the CHECT Champion you are nominating, we request that you have informed their parent(s) of your intention and have their permission to proceed. We have a limited number of awards we are able to make each calendar year. If the number of awards for that year has been exceeded any further nominations will be held over until the following year. We will endeavour, wherever possible, to award all eligible nominees but cannot guarantee being able to do so.

Your information

The information which you provide in this form will be processed in accordance with the Data Protection Act 1988. By submitting this nomination form you agree to your personal information (including sensitive data) being made available to a limited number of employees of the Childhood Eye Cancer Trust and selected volunteers engaged for database work, subject always to compliance with the data protection legislation. We will not pass your information on to third parties without your consent (unless required to by law), other than to those engaged in the delivery of our services and then only for a specified purpose. The Childhood Eye Cancer Trust is registered under the Data Protection Act 1998.

Nominate your child for a CHECT award

CHECT Champion awards recognise the bravery and courage of children affected by Rb - not just the patient, but siblings too.

We would like to invite you to nominate a child to receive one of these special awards. This may be a young child, or teenager, who has had screening or treatment for Rb or it could be their siblings. Each champion child receives a framed certificate and a medal, as well as a small gift, to recognise their achievement. It is easy to nominate a child for an award - simply tell us who you would like to receive the award, why you are nominating them and what the award would mean to them. The nominated child or children will then be invited to receive their award at a special presentation in their region - several presentations are held around the UK each year. If you need help with your nomination a CHECT support worker will be happy to help.

To complete your form online visit www.chect.org.uk

CHECT Champion nomination form

I would like to nominatebecause:

Please note ALL nominations must be accompanied by a few sentences telling us about each child you wish to receive an award. Anyone can nominate a child but the child must be a member of CHECT and you must obtain the parent/carer's permission before nominating them. By submitting your nomination you agree to the terms and conditions as set out below.

Your name:

Phone:

Email:

Name of nominated child:

Name of parent/carer of nominated child (if different from above):

Date of birth of nominated child:

Address of nominated child:

Signed:

Date:

Please tell us, *in as much detail as possible*, why you would like to nominate a child for this award. The information you provide on this form will help us form part of your child's presentation speech.

For example, you may like to tell them what has made you most proud. This could include:

- Bravery through treatment and hospital visits
- Missing out on school or activities
- Staying with others when a brother or sister is at hospital
- Reaching a milestone during or after treatment
- Excelling against the odds
- Fundraising
- Being extra supportive

..or anything else that might be specific and special about your child! (We're sure there are many reasons!)

If you, or the nominated child, would prefer not to be involved in raising awareness of Rb by sharing your story with the media please tick here

Please return your form to info@chect.org.uk or post to CHECT, Royal London Hospital, Whitechapel Road, London E1 1BB.
