

## Where are we?

**By car** – Take Junction 17 on the M25 and follow signs for Chiltern Open Air Museum all the way to Newland Park (the entrance drive to Newland Park is directly next to the entrance to this museum).

**By rail** – Nearest tube/railway stations are Chalfont & Latimer (3 miles from us), Gerrards Cross (4 miles from us), Amersham (4 miles from us) and Rickmansworth (4 miles from us). Taxis can usually be found waiting outside these stations. Travelling via Gerrards Cross is the fastest route to and from central London [just 17 minutes from Marylebone in Zone 1 on Chiltern Railways].

**Directions by coach: *special note re safe route!*** - Please ask your coach drivers to make sure that, no matter which route may be indicated on their sat nav, they approach the second part of Gorelands Lane via Chesham Lane as per the map below. Chesham Lane is much wider and safer – the first part of Gorelands Lane is too narrow for most coaches to pass through and they often get stuck there!
