WHAT: CHECT Members Day
WHERE: East Kilbride, Scotland
WHEN: Saturday 12 May, 2018
TIME: 11am - 2pm
COST: £10 per family

Join us at the National Museum of Rural Life in East Kilbride for a fantastic day out for all the family...

Escape to the countryside for lots of family fun at this fascinating museum and historic working farm.

There's so much for young children (and their grown ups) to see and do, including stepping back in time to a 1950s working farm, seeing tractors and combine harvesters from over the centuries and meeting giant horses.

The event is to give our members the opportunity to meet other families affected by Rb, talk to staff and have a break from the stressful hospital environment.

We'll meet in the Education Centre at 11am, with lunch at midday. This will be followed by the

presentation of our CHECT Champion Awards and plenty of time to mingle and chat. After that we'll go for a tractor ride around the farm.

The cost is £10 per family of four. We want everyone to be able to come so if the cost of travel would prove to be prohibitive, please speak to your support worker about this.
