

Childhood Eye Cancer Trust's Christmas Card Competition is now open to all CHECT members!

Whether you're young or just young at heart, we'd love you to take part. Simply draw, colour, or paint a festive design in the box to the right.

The winning designs will feature in our 2025 Christmas card range, which our supporters will use to send festive cheer to their loved ones. Cards will be available to order online from October via our website.

Please scan and email your completed design to info@chect.org.uk, along with your name.

Deadline for entries:

15 September.
